STATUS DEFINITIONS

INTAKE - Application has submitted. No technical review has taken place yet.

IN REVIEW - Application is currently being reviewing by an analyst / Inter-agency communication takes place / Application revisions may be received

REVIEW COMPLETE - Analyst comments have been prepared / advertising (if necessary) has been prepared / Application is awaiting scheduling on board agenda (if applicable)

ON BOARD AGENDA - The application has been properly advertised (if necessary) and scheduled for a hearing date

DECISION - The board has come to a determination (approval or denial) and issued a letter stating as such with any conditions required. No conditions have been completed as of yet.

FINALIZATION PROCESS - Applicant is in the process of meeting conditions set by a Board's approval. This may entail filing covenants, dedications, paying fees, making final revisions to plans, filing the map, etc.

FILE CLOSED - All conditions of the approval letter have been met, all work has been completed and bonds (if any) have been released. In some cases this can also mean a file was withdrawn, revised and submitted as a new application or sent to the Board of Zoning Appeals because it could not be heard by the Planning Board.
